

evian® is the *best selling brand* of mineral water in the world, sold in over *120 countries*. Recommended by skin experts, make-up artists and top models.

26 reasons to use evian® facial spray

1. Helps enhances the effectiveness of all moisturizers and any skin care regimen for normal, dry or oily skin. Simply spray the face well, pat dry excess, and apply favorite lotion or cream day and night.
2. Hydrates and awakens skin with a soaking spray in the morning.
3. Propelled in an ultra fine mist, natural evian® Facial Spray is absorbed by the upper layers of the skin.
4. Has no effect on the ozone layer because evian® is propelled by nitrogen, which is totally safe (80% of the air we breathe is nitrogen, 20% oxygen).
5. Allows the upper layers of the skin to be rehydrated several times a day without removing make up.
6. Works as a post-cleanser by removing cleansing cream or soap residue, as well as hard tap water.
7. Tones all skin types and can replace astringent toners for sensitive or delicate skin.
8. Soothes skin chafed or irritated by sun, wind, certain cosmetics.
9. Effectively replaces facial moisture lost from active sports and drying sun.
10. Moisturizes outer layers of the skin, under facial masques.
11. Relieves dry, irritated skin caused by high altitude and poor air quality during travel. The 1.7 oz. size is TSA approved for air travel
12. Removes chlorine or salt and impurities left on the skin after swimming.
13. Removes salty perspiration from facial skin during or after exercise or sports.
14. Sets makeup. Revives makeup colors midday or mid-evening.
15. The evian® container is sealed under strict sanitary conditions (unlike do it yourself sprays). evian® may be safely sprayed over entire face including the mouth.
16. Lightens heavy makeup bases--mix half and half in hand.
17. Soothes skin after waxing and electrolysis.
18. Soothes sensitive skin after shaving. Replaces after-shave lotions that may burn.
19. Cleanses and soothes delicate or sensitive baby skin.
20. Helps to keep you alert while driving (apply when stopped).
21. The evian® canister is totally recyclable.
22. Helps cool down and offers a relaxing, refreshing break during labor (maternity hospitals recommend evian® Spray).
23. evian® Brumisateur comes in three convenient sizes: 1.7 oz. for purse and travel, 5 oz. for the office, and economy size for home.
24. The economy size, with regular use, lasts 90 days. This translates to only 18 cents a day for pure, natural skin hydration.
25. Instantly cools and soothes hot, burning feet.
26. evian® is the choice of leading make-up artists.
